

North Grenville **MUNICIPAL CENTRE**

It all happens here!

It all happens here! (since June 2005)

Community Consultation

- The consultation process began long before construction however faced with a 6 week turnaround for an infrastructure funding opportunity, decisions had to be made quickly regarding how much to build and what facilities to include. Within those parameters, we then spent years chasing down leads on any potential partnership opportunity, be it with the general public, a user group, a funder, or lease space opportunity. Now in its 11th year, the North Grenville Municipal Centre continues to respond to the changing needs of the community through new and existing partnerships, programs, events and amenities.

It all happens here! (since June 2005)

- 2 ice surfaces (one open year round which seats 300, one seasonal with off-season floor use which seats 2000).
- Performance theatre (seats 300) with support facilities (workshop, wardrobe, etc.).
- Dividable banquet hall for up to 350 people with kitchen & bar facilities.
- Municipal Offices & Meeting Rooms (including teleconferencing equipment), Council Chambers (in theatre).
- M.P. & M.P.P. Satellite Offices (previously community access program, now at library).
- Big Brothers Big Sisters (space previously used as St. Lawrence College Satellite).
